THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Epping in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Epping on Tuesday, the eleventh day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To bring in your votes for the election of Delegates at large and alternate delegates at large and delegates and alternate delegates, to the National Convention.

4. To see what sums of money the Town will vote to raise and appropriate for roads and bridges.

5. To see what sum of money the Town will vote to raise and appropriate for contract with New Hampshire Electric Company.

6. To see what sum of money the Town will vote to raise and appropriate for support of the Public Library.

7. To see what sum of money the Town will vote to raise and appropriate to defray Memorial Day Expenses.

8. To see what sum of money the Town will vote to raise and appropriate for winding and care of the Church Tower clock.

9. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

10. To see if the Town will vote to authorize the Selectmen to sell any property taken by tax title or otherwise.

11. To see if the Town will vote to raise and appropriate the sum of $400.00 for control of the White Pine Blister Rust, in cooperation with the State Forestry and Recreation Department.

12. To see if the Town will vote to authorize the Selectmen to pay off an extra water note of the Church Street and St. Laurent Ave. issue with $1,000.00 left over from the new water project.

13. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to grade and tar the Blake Road, West Epping, to widen not less than fifteen feet, to include all proper drainage.

14. To see if the Town will vote to raise and appropriate the sum of $578.57 for Class V highways upon the condition that the state contributes $3,856.62.

15. To see if the Town will vote to raise and appropriate the sum of $7,200.00 for the construction of a new Bridge in West Epping on Blake Road, upon the condition that the State contributes an additional amount of $4,800.00. The sum of $7,200.00 to be raised by Town notes or bonds, matters of form, rates of interest, sale and dates of payment to be left to the discretion of the Selectmen.

16. To see what sum of money the Town will raise and appropriate for civilian defense

17. To see if the Town will vote to raise and appropriate the sum of $500.00 to equip a fire truck with tank, pump and other necessary equipment. The same to be under the supervision of the Selectmen.

18. To see if the Town will vote to raise and appropriate the sum of $300.00 to purchase seats for the Town Hall.

19. To see if the Town will vote to raise and ap-

propriate the sum of $150.00 to construct a new sidewalk between the house of Richard S. Brewitt and Dr. John W. Blaisdell.

20. To see if the Town will vote to authorize the Selectmen to appoint the Highway Agent, the same to become effective until abolished by a vote of the Town through an article in the warrant.

21. To see if the Town will vote to install an electric street light at curve on Church Street near Nichols' Garage, and another street light near Proulx's Oil Tanks and make appropriations for same.

22. To see if the Town will vote to establish a Planning Board of five members with duties as set forth in Sections 1-15 inclusive, Chapter 53, Revised Laws of New Hampshire 1942, as amended, to make a study of the Town's development and report to the Town appropriate recommendations for the promotion and maintenance of the Town's best development. The Board members shall consist of one Selectman and four other citizens appointed by the Selectmen, as provided in Sections 1-15 inclusive, Chapter 53, Revised Laws of New Hampshire 1942 as amended.

23. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and fifty-two.

RICHARD F. SANBORN,
NORMAN T. FECTEAU,
DANIEL W. HARVEY,
Selectmen of Epping, N. H.

A true copy of Warrant—Attest:

RICHARD F. SANBORN,
NORMAN T. FECTEAU,
DANIEL W. HARVEY,
Selectmen of Epping, N. H.

D. WATSON LADD, *Town Clerk*

ANNUAL REPORT

of the

OFFICERS

of the

Epping School District

for the year

JULY 1, 1950 TO JULY 1, 1951

OFFICERS OF THE EPPING SCHOOL DISTRICT
1951-52

SCHOOL BOARD

ELTON G. ALLEN, Chairman, Term Expires 1953
BEATRICE G. MARCOTTE, Clerk,
Term Expires 1954
LEONA BEAUCHER, Term Expires 1952

Superintendent of Schools

LOUIS L. RAMSAY, M.ED.

Treasurer

WILLIAM R. MORRIS

Moderator

JOHN B. FOLSOM

Clerk

JOHN HOAR

Auditor

JOHN TILTON

Attendance Officer

LAWRENCE CARAWAY

School Nurse

CONSTANCE COOPER, R.N.

SCHOOL WARRANT

The State of New Hampshire

To the inhabitants of the School District in the town of Epping qualified to vote in district affairs:

You are hereby notified to meet at the Epping Town Hall in said district on the 8th day of March, 1952, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance be-

tween the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to raise and appropriate $550.00 to be used for the transportation of West Epping High School pupils.

10. To see if the district will raise and appropriate $200.00 to be used for the transportation of other High School pupils who live more than two miles from school.

11. To transact any other business which may legally come before this meeting.

Given under our hands at said Epping this 21st. day of February, 1952.

BEATRICE MARCOTTE,
ELTON G. ALLEN,
LEONA BEAUCHER,
Epping School Board

CERTIFICATES

I certify that the above is a correct statement of the obligations authorized, and the amounts to be assessed to meet statutory requirements and appropriations made at the annual meeting of the Epping school district held March 10, 1951.

JOHN HOAR,

March 21, 1951 **Clerk of the School District**

To the State Board of Education:

I certify that the above is a correct statement of the financial proceedings of the district for the school year 1951-52, and that copies of this statement have been filed with the chairman of the board of selectmen and entered in the records of the school board in accordance with N. H. Revised Laws, Chapter 139, Section 19.

ELTON G. ALLEN,

March 21, 1951 **Chairman of the School Board**

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Epping:

It is with a good deal of pleasure that I submit this, my second annual report, as your Superintendent of schools.

From a financial viewpoint Epping's educational future has brightened considerably during the past year with the receipt of State Aid funds amounting to better than $19,000. The type of instruction Epping's pupils have been receiving is very good as shown by a comprehensive testing program in grades 4, 6, 8, 10, and 12. The effectivenes of good instruction is determined by many factors, among them being pupil load, teaching environment, physical and educational facilities and continuity of teaching staff. A look at our school enrollment is a good indication of what Epping can expect in the near future as far as the physical aspects of instruction are concerned. The following is a breakdown of grades in Epping Schools.

Elementary

Central School

	1951-52	1952-53 (Estimated)
Grade 1	27	32
Grade 2	27	27
Grade 3	30	27
Grade 4	41	30
Grade 5	30	41
Grade 6	29	30
Grade 7	24	29
	208	216

West Epping

Grades 1 - 4	42	45
Grades 5 - 8	38	37
	80	82

High School

Grade 8	27	24
Grade 9	33	36
Grade 10	23	33
Grade 11	11	23
Grade 12	11	11
	105	127

You will note that for 1952-53 there is a probable total of 416 pupils as compared to 393 for this year. This brings up the problem of "where are we going to put them all?" Under the able leadership of Maurice Boulanger the holding power of the high school has improved to the extent that probable drop outs will be few; add that to the whole and we have a problem of school housing that is rapidly becoming acute.

As part of this report there will be a page devoted to Return of District Revenue, which shows the actual budget that the school district is using for the current year 1951-52.

New Teachers

Mr. Howard Jackson, Keene Teachers College "49" to teach subjects formerly taught by Arthur Nelson who resigned in August. Mr. Jackson is also coaching basketball.

Miss Anne McCusker, Salem Teachers College, 1951 to replace Miss Kathryn Gainey in the teaching of Commercial subjects.

Mr. Donald Kenyon, U. N. H. to replace Mrs. Mary Folsom Blair (retired) in grades 5-8 at West Epping.

Any teacher elected to replace Mrs. Blair would have his job cut out for him, but Mr. Kenyon has done a very creditable job in his first year of teaching.

Miss Martha Bassett, K. T. C. "51" to replace Mrs. Evelyn Barton who resigned to accept a position near her home.

Miss Eleanor Drowne, K. T. C. "51" to replace Miss Flora Charter who resigned to accept a position in Hooksett.

Miss Anne-Marie O'Shea, B. U. School of Music "51" to replace Miss Jean Readio who resigned to be married. Miss O'Shea's musical background has permitted her to fit very nicely into the type of instruction necessary for a Supervisory Union position.

Testing Program

A Union wide testing program has been instituted this year. Children in grades 4, 6, 8, 10, and 12 were tested in October by the University of New Hampshire counseling service. Grades 4 and 6 were given Mental Efficiency tests plus Achievement tests in Reading, Arithmetic and English. Grade 8 was given a battery of tests which included, Interest Inventory, Mental Efficiency, Mechanical Aptitudes and Comprehensive Reading. Grade 8, 10, and 12 tests shall be used as a medium for counseling and guiding pupils into selection of a high school program best fitted for them in terms of interest and abilities.

These tests are in the hands of the respective teachers who would welcome the opportunity to sit down with any and all interested parents for a discussion of their child's problems as indicated by the tests. Naturally these tests are not infallible, but they are of immeasurable help when supplemented by the teacher's judgment. I urge parents to take advantage of this opportunity to sit down with the teacher and discuss their child objectively.

Guidance

As the value of a testing program must be measured by its use and because the State Department recognizes the value of full time Counselor in Guidance Work, the Union has voted a sum of money to pay part of such a man's salary.

The State Department of Education has consented to match the amount voted by the Union in order to set up a pilot program on a supervisory union basis. This program will be the only such program in the state and will be closely supervised by your Superintendent and the State Guidance Director. It should prove of great value to Epping in that it will make available a man trained in counseling techniques to work with parents, teachers, and children in working toward the solution of problems in mal-adjustment, truancy, and others common to the advanced or retarded pupil.

Repairs and Replacements

The practice of replacing fixed desks with movable furniture should be continued. Ten more moveable desks should be placed in the first grade to add to those placed there last year. The hot-topping of the walk at the Central School and High School has been a great improvement. The West Epping School has been painted inside and out, new oil heaters have been installed and a gas cooking stove contributed by Mrs. Howard Hartford has been installed. A cesspool has been dug for the sink-drain at the West Epping School to eliminate any possible seepage into the well. This was done upon recommendation of the State Health Department.

The playground at the Central School should be improved next year plus a larger area tarred. The State Board of Health has recommended better lighting in

the boys' and girls' toilets. These could be met with small expense.

Looking Ahead

There is much food for thought in the continued growth of school population. Good schools encourage outsiders to settle in a town and thereby increase its valuation. Epping should be cognizant of what is going on in surrounding towns in the influx of tax paying population. Experiences in other towns have indicated that a town's growth is closely tied in with the growth of its educational facilities.

In closing, I wish to express my appreciation to the School Board, Citizens and Teachers for the friendly and cooperative spirit shown me. It has been a real pleasure working with you.

Respectfully submitted,

LOUIS L. RAMSAY,
Superintendent

REPORT OF PRINCIPAL OF EPPING HIGH SCHOOL

To the Superintendent of Schools, Board of Education, and Citizens of Epping:

It gives me great pleasure to present my first annual report as Principal of Epping High School.

This year, as always, has brought about changes — in number of pupils attending school, teaching personnel, methods of presentation, the introduction of a systematized testing program that should bear fruit in years to come, among other things — but most important, a change of attitude and interest towards school in the student body as a whole. This change is educationally healthful and we hope that it persists for many years to come.

The enrollment of Epping High School, like all other schools in the country, showed an increase that warrants investigation into posible expansion of physical facilities, in the not too distant future. An increase of 15 pupils over last year of 1950-1951 brought our enrollment up to 105. This year 1952, we are graduating 11 seniors in June and expect to receive 30 eighth graders from Central School and 7 or 8 ninth-graders from West Epping in September. This should bring us to approximately 127 in September. One can readily see the added burden on present physical plant and the teaching staff.

In the change of personnel, Epping was very fortunate in acquiring the services of an experienced man in Howard W. Jackson. Mr. Jackson, with two years of teaching experience at Newmarket High School, was a welcome addition to the staff. He teaches all sciences and general mathematics and coaches basketball.

Miss Anne McCusker, a Salem Teachers' College

graduate has done a creditable job in the Commercial Department. Miss McCusker also coaches girls' basketball and softball.

Miss Doris Swift, who came to us last spring, returned to carry on her splendid work in Home Economics, hygiene, consumer education and 8th grade English. Mrs. Swift also produced a successful senior play and her girls' volleyball team won the Southeastern League Championship.

Mr. Clayton Gray (who needs no introduction to the community) in his third year at Epping High, continues to produce at his same high standards in the social science field. His crosscountry team won the League Championship and placed third in the State meet.

Beside the more prominent items mentioned above, all teachers act as class advisors, do individual and group guidance, chaperon dances, socials and other school activities, and help to produce a school publication. Their chores are many and varied. Despite the heavy schedule the want for professional growth is not lacking. Mr. Gray has continued his work towards a Master's Degree by taking two extension courses. Mr. Jackson has taken one course at the University of New Hampshire and two at Boston University. Your Principal is continuing his studies at the University of New Hampshire. The product of this added learning is passed on to your children

We, of the education world, have often talked of individual attention, but seldom found adequate situations in small high schools in which to practice it. This year, some measures have been taken to instill this method. It is nothing new; it is nothing sensational. It does, however, provide for individual differences in that the individual works at his or her own level without the necessity of competing with faster and slower classmates. Each individual works at his own speed and level. The experiment at the high school is being used in the English classes because no added materials were

needed. It has not proved spectacular and there are many flaws to be "ironed" out but the increased interest and learning warrants broadening the method to include other subjects next year. The comments "I like this way better" or "I've learned more English this year" are encouraging.

The testing program has proved invaluable in guidance, suggesting future plans to seniors, adjusting courses of study for undergraduates and pointing out individual deficiencies and strengths in the classrooms. It has been gratifying to have so many parents call and discuss the tests with us. This year grades 8, 10 and 12 were tested. If this practice continues, each child will eventually have three tests in his high school career. Although these tests are not infallible, generally speaking, they are the best form of prediction available at this time.

We have tried to pass on to your children the knowledge, skills, habits, attitudes, tradition and culture needed to live fruitful and well adjusted lives. How well we have succeeded only the future will divulge, but if the senior class is any criterion, we have not failed. Six of the prospective graduation class of 11 have made definite plans to seek higher education. The others have chosen worthwhile vocations.

I wish to expres my deepest gratitude to the parents of Epping who have shown interests in the educational welfare of their children by inquiring, suggesting, commenting and constructively criticizing. Only through cooperative effort can we move ahead as a unit. Our school is but a part of the whole.

May the interest continue.

Respectfully submitted,

MAURICE J. BOULANGER
Principal

REPORT OF MUSIC TEACHER

To the Superintendent of Schools, Board of Education, and Citizens of Epping:

The first consideration in all music work in the schools is the child; his mental and emotional condition, his tendencies and possibilities for absorbing music.

There is a way to teach music to children in the schools, a way which emphasizes the mission of music as a potent force in its power to soothe and heal; to inspire and stimulate.

Music Reading, which is simply a means to an end which permits a wide experience in *Song Singing,* which is an incentive to musical growth and results in *Music Appreciation,* which is the open door to greater opportunities in the world of music.

Besides these above phrases of music, the children have had experience in Folk Dancing, Music Listening and Music Theory.

The large Mixed Glee Club at Epping High School has recently been divided into two groups, Boys' Glee Club and Girls' Glee Club. New books have been purchased for the girls' group which they are enjoying at present.

I wish to express my appreciation to the School Board, Superintendent, teachers, parents, pupils and other citizens for their cooperation.

Respectfully submitted,

ANNE-MARIE O'SHEA,
Music Supervisor

HEALTH SUPERVISION

To the Superintendent and School Board, and Citizens of Epping:

Following is a report of the school health program from January 1, 1950 to January 1, 1951.

The same health work has been carried on. Monthly inspections of heads, and skin; visual and hearing tests, examinations of teeth, throats, glands and posture. Defects found were followed up with home visits and when necesary ways were provided for corrections to be made.

Weighing and measuring in September, February and June. Brief health discussions when needed. There were 171 pupils in six upper grades skin patched for tuberculosis.

With both Dr. Blaisdell's and Dr. Montgomery's fine cooperation, the cross-country and basketball teams were given heart and lung examinations and blood pressure taken.

The hot lunch program continues to be a great success. There is no question as to its being a strong factor in the good health of the children who have them.

The West Epping Community Club, under the chairmanship of Mrs. Hall, is to be highly complimented on its splendid work with the dental clinic. Forty-six pupils received complete dental corrections.

I am grateful for this opportunity to thank those who have cooperated and given this such fine support.

Respectfully submitted,

CONSTANCE COOPER,
School Nurse
